

Books and Book Chapters

- Osama A. Mohammed, Tarek A. Youssef, Mehmet H. Cintuglu, and Ahmed T. Elsayed, "Chapter 12: Design and simulation issues for secure power networks as resilient smart grid infrastructure" from the book "Smart Energy Grid Engineering" ELSEVIER, October 2016.
- Osama A. Mohammed, and Ahmed T. Elsayed, "Meta-Heuristic Techniques for Optimal Selection of Distribution System Architecture", In press.
- Mohammed, O. A. and Barzegaran, M. R. "Computational Electromagnetics for the Evaluation of EMC Issues in Multi Component Energy Systems," Book Chapter, Artech House, March 2015.
- M. Amin and O. A. Mohammed "Modern Technologies in Energy Efficiency Improvement – Design, Control, Implementation, and Applications", (309 Pages) Scholar Press, 2013
- Mohammed, O. A. (41 Pages) Section 8 in Standard Handbook for Electrical Engineers, 15th Edition, McGraw-Hill, Edited by Wayne Beaty and Donald Fink, 2007 and the 16th edition, 2012.
- Mohammed, O. A., (53 pages) Book Chapter entitled " Optimal Design of magnetostatic Devices: the genetic Algorithm Approach and System Optimization Strategies," in the Book entitled: Electromagnetic Optimization by Genetic Algorithms, Edited by Yahya-Rahmat Samii and Eric Michielssen, John Wiley & Sons, ISBN 0-471-29545-0, 1999.
- Mohammed, O. A., Editor, "Digests of the 12th Biennial Conference on Electromagnetics Field Computation, IEEE CEFC 2006," ISBN 1-4244-0319-7, May 2006.
- Mohammed, O. A., and Tomsovic, K., (Editors), "Proceedings of the International Conference on Intelligent Systems Applications to Power Systems," ISBN 0-7803-3115-X, January, 1996.
- Mohammed, O. A., (Editor), "Proceedings of the Fourth International TEAM Workshop," ISBN 1-884342-02-1, March, 1994.
- Mohammed, O. A., (Editor and Conference Chairman), "Record of the 9th Compumag Conference on the Computation of Electromagnetic Fields," ISBN 1-884342-01-9, October 1993.
- Mohammed. O. A. (Editor and Conference Chairman), "Proceedings of the 1994 IEEE Southeastcon'94," ISBN 0-7803-1797-1, April 1994.
- Puttgen, H.B.; Aimone, M.A.; Demerdash, N.A.; Fleming, P.J.; Garg, V.K.; Makram, E.B.; McCart, W.C.; Mohammed, O.A.; Malukutla, S.S.; Roark, C.; Schmehl, T.G.; Smith, J.C.; Stambach, M.R.; Truax, C.J., "A listing of continuing education courses in electric power engineering-1988", Power Systems, IEEE Transactions on, Aug-89, vol. 4, no.3, pp 1263-1275
